Recommending Department: Engineering			

Background:

In May 6, 2015, the Board authorized approval of Interlocal Agreement with the City of Lewisville for relocation of District pipelines in conjunction with improvements to Windhaven Parkway. As per the Agreement, upon completion and final acceptance of construction, ownership of the facilities will be transferred to the District.

The City of Lewisville has completed the relocation of two pipelines to make way for the extension of Windhaven Parkway. The relocation of the 24-inch potable water pipeline and the 16-inch non-potable pipeline, both of which serve Denton County Fresh Water Supply District No. 1A (Castle Hills) have been completed and both lines are in service.

Financial:

Lewisville will pay all design and construction costs for lowering pipeline and reimburse District for staff time.

Recommendation:

Recommend Board accept ownership of the two pipelines that were relocated by the City of Lewisville for the Windhaven Parkway Project.

Enclosures:

None.
